

# THE 9-1-1 DISPATCH

2017 / Fall Edition

## WE'VE LOST ONE OF OUR OWN...

We regret to announce the passing of retired Belmont County 9-1-1 dispatch Shift Supervisor Roger C. Hull, on September 21, 2017.

Roger began his career with Belmont County 9-1-1 on April 2, 2000 and worked until the time of his retirement on September 23, 2013.

Roger leaves behind his wife Tammy and daughters Brittany and Rebecca.

Roger will be missed by all that had the privilege of working with him and knowing him.

## ANNUAL RADIO AND PAGER INVENTORY

We still have quite a few departments who have not turned in their annual inventory that was mailed out back in April. Those are:

- ***Bellaire Police***
- ***Martins Fire and EMS***
- ***Maynard Fire***
- ***Morristown Fire***
- ***Spirit of 76 Fire***
- ***Wolfhurst Fire***
- ***Belmont County EMA***

If your department is on the list, please get these to me as soon as possible.

## NEW DISPATCHER HIRED

We have hired a new full time dispatcher, Ty Wilson. Ty comes from Martins Ferry EMS, where he worked as a full time paramedic. Ty is also a member of the Colerain Volunteer Fire Company.

## CODE RED ALERTS

In light of a couple of recent HazMat events, many residents have found that they are NOT signed up for CodeRED alerts in Belmont County. We try to stress that anyone with a cell phone, or VoIP (Internet) phone, MUST sign up their number(s) by going to our website ([www.belmontcounty911.com](http://www.belmontcounty911.com)) and clicking on the CodeRED logo on the front page. It is a quick and simple process. Please check with your friends and family to make sure that they have done this. This goes for businesses too. When critical information needs to get out for the safety of our residents, CodeRED is the quickest and most efficient way to get the word out. For those without internet access, please call our office during normal business hours at (740) 695-9104 and we will be happy to help get you signed up.

## MONTHLY CALL NUMBER REPORT

The monthly call numbers for each department are attached for your viewing. It is looking to be a very busy year for many departments. In our next newsletter, we will have a complete report of all calls for 2017. Stay tuned to see if we have set record numbers for Belmont County.

## BELMONT COUNTY ONLINE MAPPING

Please do not forget about the online Web Mapping site, administered by the Belmont County GIS department. It can be found at <http://belmont-oh.bhamaps.com/>. It is a very valuable resource for first responders and ALL residents of Belmont County. Updates to the site are done about once a month, so that you have access to the most up-to-date information.

## NEW AIR MEDICAL COMPANY IN THE AREA

We have been notified that HealthNet Aeromedical Services now has an aircraft in service at the Marshall County Airport, in Moundsville, WV. They are available for medical flights in this area, for anyone requesting them. In using our "One-Call" system for helicopter dispatch, you may see them responding to your scene, if they are the closest aircraft to your incident. Belmont County 9-1-1 does NOT favor any specific service. We are merely disseminating the information of what is available to our first responders.

## LIKE THE NEWSLETTER? WANT TO KNOW SOMETHING?

With this quarterly newsletter, we are attempting to continue to disseminate the same type of information that was previously given to the 9-1-1 Board at their bimonthly meetings. If there is something you'd like to see or know, please tell us. We will be happy to add additional content to this newsletter. If you know of common problems or issues and want answers, tell us. If you'd like training on portable or mobile radio features, tell us. We will be happy to get the word out on anything that is deemed important to all first responders.
